

Study an Australian standards qualification in Malaysia

HLT33115 Certificate III in Health Services Assistance

Delivery & Duration

This 14-week course includes:

- 8 weeks of online theory
- 2 weeks of in-class simulation days
- 4 weeks of work placement

Course cost

Introductory offer

Total Course Cost:
RM16,000

My Flex Health offer programmes in Malaysia and Southeast Asia, which can lead to roles within the healthcare industry locally and in a number of countries across the globe, such as Canada, the UK, Singapore, and Australia.

Upon completing this course and gaining the qualification, you will be confidently ready to begin your career as an Assistant in Nursing in the acute healthcare environment.

Learning Outcomes

- 1** Learn the skills necessary to assist in delivery nursing care to clients in an acute setting alongside Registered Nurses.
- 2** Involves a mixture of online theoretical and practical hands-on training with current industry equipment and documentation
- 3** Receive support and mentoring from highly experienced trainers / assessors

About My Flex Health
